

## Employment Fraud Advisory

We at TVS Credit have a merit-based formal recruitment process, and all recruitments are done through our HR team. We do not ask prospective employees/job seekers to make any security deposits nor ask for any payments during the recruitment process. We also do not authorise any third party to make any employment offers on our behalf.

It has come to our notice that fraudsters are using the name of TVS Credit to solicit job applications and require the job seekers/applicants to pay processing fees or deposit amounts for appointments by sending false e-mails or by making fraudulent telephone calls.

We request that you be cautious and not respond or deal with any unlawful parties claiming through e-mail, websites, phone, SMS and any other form of communication that they are representatives of TVS Credit. Job offers are only sent from our official e-mail ids, which end with '@tvscredit.com'.

If you are approached by any such person or organisation, we request that you contact the local law enforcement authorities immediately. If unsure of the authenticity, you may contact us to enquire about the interview details and other relevant information.

For further clarification, you may reach us at [hr@tvscredit.com](mailto:hr@tvscredit.com).
